Kristi,

That works for Supervisor Lambert. I'm not sure who the No. 2 will be, but will let you know next week.

That should work fine. They have votes that week on Monday through Thursday. We could fly on Monday and do meetings Tuesday, Wednesday, and Thursday and then fly home Thursday late or Friday morning.

Does it work for you, Jon?

If so, I'll put a hold on everyone's calendars.

Kristi – given our Board Meeting schedule, we'll probably need to target the first week in April.

Subject: 2019 Congressional Calendar and DC Trip

All –

For DC planning purposes, I am attaching the 2019 Congressional Calendar. We discussed a trip in the April time frame. The best times that month will be the first two weeks. Both chambers are on recess for Spring Break later in the month. We could also look at the last week in March. If we do the split Butte County/Camp Fire Recovery approach we discussed yesterday, I'd plan for one more day than normal. If we can get 2 ½ to three full days in DC, that would be ideal. It would give us enough buffer room to be able to plan for some agencies meetings and anything else that may come up.

Thank you.

~Kristi
